PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science graduate with a strong foundation in Core Java, Object-Oriented Programming, and Data Structures. Adept at writing clean, efficient code and building basic applications using Java and SQL. Familiar with HTML, CSS, and version control tools like Git and GitHub. Eager to kickstart a career as a Java Developer and contribute effectively in a collaborative, fast-paced environment.

SKILLS

- **Programming Languages:** Java, Python, JavaScript, C, Spring, DSA
- **Web Development:** HTML5, CSS
- **Databases:** SQL, DBMS
- **Tools & Technologies:** Git, GitHub, IntelliJ IDEA, Agile methodologies

EDUCATION

B. Tech (Computer Science & Engineering) *August 2019 - April 2023*
Vidya Jyothi Institute of Technology, Hyderabad **CGPA 9.13/10**

Class 12th - TSBIE *June 2017 – May 2019*
Sri Chaitanya Junior College, Hyderabad **Percentage - 95.9%**

Class 10th - SSC *June 2016 – May 2017*
R.B.V.R.R High School, Nizamabad **CGPA 9.3/10**

PROJECTS

Chat Application *March 2024 - August 2024*
- Developed a real-time chat application using Java for the graphical user interface.
- Designed a responsive UI with JavaScript, HTML, and CSS.
- Implemented user authentication and data persistence using JDBC and MySQL for healthcare purposes.

E-commerce Platform *January 2023 - April 2023*
- Developed & designed an e-commerce platform using DBMS, SQL and JavaScript.
- Implemented features including product listings, shopping cart, and user authentication.
- Deployed the application for regular use shop owners.

Student Management System *June 2022 - December 2022*
- Developed a console-based application in Core Java to manage student records.
- Implemented features to add, view, update, and delete student information.
- Used OOP concepts like classes, objects, inheritance, and encapsulation.
- Applied file handling in Java to store and retrieve data from a local text file.

ACHIEVEMENTS

- **Ideathon Winner** at VJIT College (24th - 27th January 2022): Led a team to develop "17 Sustainable Development Goals by UN "organised by GDSC.
- **Dean's List** (2019-2023): Maintained a CGPA of 9.0+ consistently throughout engineering.

CERTIFICATIONS

- **EPAM OFF Campus Java Sadhaka Education Program** (Feb 10, 2025 - May 10, 2025) - Core Java, Functional Programming in Java, Spring Framework Fundamentals, Problem-Solving Skills (BYTES), GIT, OOPS Principles
- **Cisco Certified** - Python, C, Networking Essentials.
- **Hackerrank Certified** - Java & SQL.

ADDITIONAL INFORMATION
- **Languages:** English, Telugu, Hindi
